## T-Snake EIVA Portable outdoor lamp IP65 with 2 lights

Light bulb: Without bulb, With bulb

Finish: Black, Soft blue

### Product short description:

Available in different finishes and 100% made in Italy. T-Snake is the outdoor lamp to hang from the gazebo, that creates a cheerful setting and many happy hours in the summer, but it can also be used over a table in the veranda for those that prefer cards and board games to long endless talks.

This option includes exposed lightbulbs, and was designed with two lamp holders and a joint for the illumination system from the EIVA outdoor collection, designed by Creative-Cables: every component has an IP65 protection degree, is water and rain resistant, and comes with a neoprene cable with textile covering and a Schuko plug, perfect for outdoor spaces.

Please note: the IP65 protection degree is only guaranteed with A60, ST64, G95 and G125 shaped lightbulbs (constantly updating) and the EIVA lamp holder was exclusively designed to hold glass LED lightbulbs.

Patented by Creative-Cables, these lamps are designed and assembled in Italy. They are tested and CE certified from independent facilities based on rigorous norms.
